Dear Friends:

The CNY SPCA has been in existence since 1891 with a mission of being a voice for those animals who are neglected and abused. Our mission has never changed. To date this year we have taken in a total of 888 animals. Of those 888, 377 were seized from neglectful or abusive situations, and we're sure there will be more before the year is over.

Three dogs especially stand out for the staff here; Chase, Goliath and Arya. Chase came to us with a horrible case of demodex mange and an open wound above his eye that had been left untreated for weeks. Our medical staff treated him with antifungal medications, antibiotics and special baths to ease the mange. He is now ready to find his forever home. Goliath, was thrown from a second story balcony and required specialized medical attention to set his leg, he was adopted and is living his best life. Arya a discarded bait dog came to us horribly wounded with a broken upper jaw that required specialized surgery. Our veterinarian here pieced her ear back together and Arya is now ready to find her forever home as well.

2020 has been a year full of uncertainty for all of us. The only certainty here at the CNY SPCA is the fact that animals will need our help, and the cost of giving that help continues to rise.
The Staffworks "Save A Life Campaign" will help allow us to continue the mission that we have fulfilled for over 100 years here in Central New York. **All donations dated November 30th through December 31, 2020** will be matched by the Staffworks Fund. The first $10,000 we receive will be matched dollar for dollar, and donations above and beyond the $10,000 will be matched at $1,000 for every $5,000, a **$30,000 potential**!

This Holiday Season, can you find it in your hearts to help others just like Chase, Goliath and Arya? There are many more who need our help, and we need your help to continue being a voice for the voiceless here in Central New York.

Enclosed please find my gift for the CNY SPCA: (Please date checks no earlier than 11/30/2020)
